## EASY TO ORDER CHEQUE FEATURES

**Artwork:** Free set-up based on our standard bodies.

**Ink:** Pantograph is printed in one of the 3 standard colours. All other text/logo is printed in black.

**Perforations:** Includes 2 standard perforations at 3½ and 7" from the top.

**Paper:** Choose from a selection of security papers.

**Numbering:** Prints with black gothic numbering, and consecutive MICR.

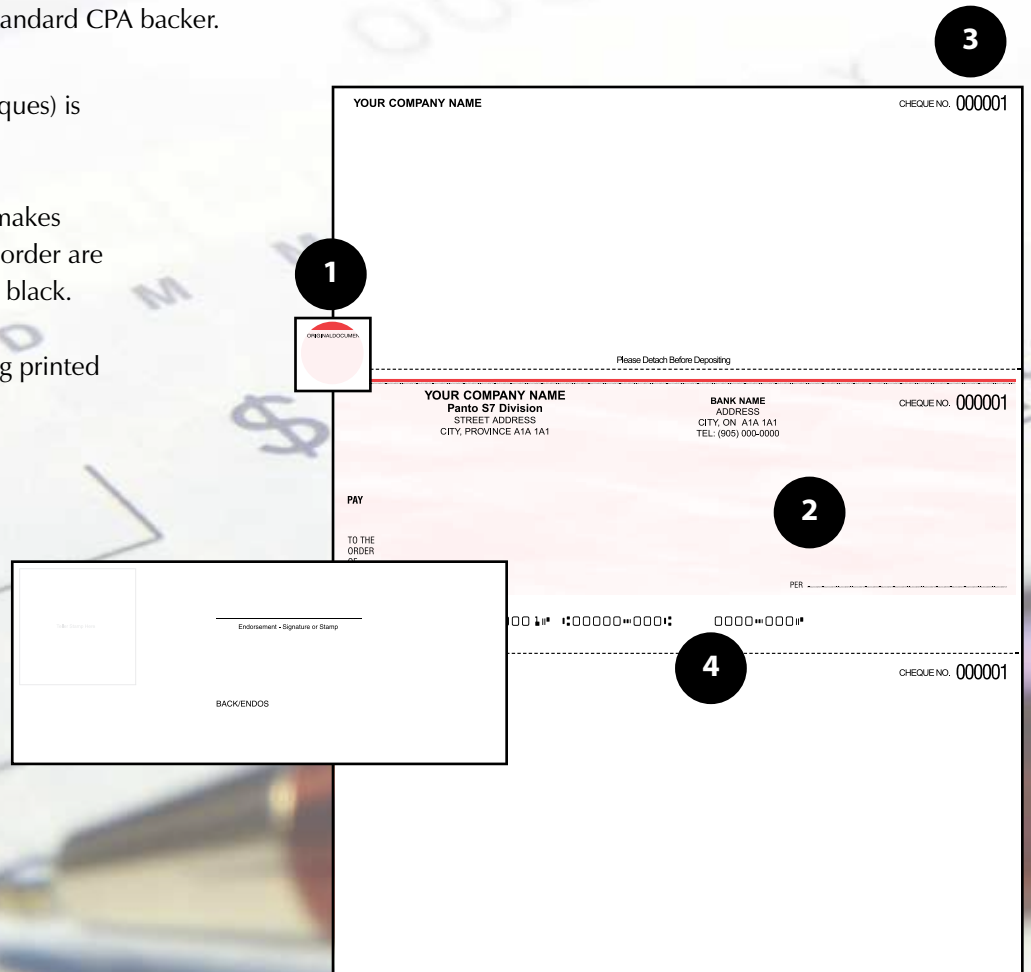

**Backer:** All cheques are printed with a standard CPA backer.

1. Microprint border (standard on all cheques) is only visible under magnification.

2. Tamper resistant pantograph on front makes alteration difficult. The pantograph and border are printed in colour and all text is printed in black.

3. Standard consecutive gothic numbering printed in black at 18pt.

4. Consecutive MICR numbering, printed in black with magnetic security ink, which is then read by our bank grade MICR verifier for a passing cheque **EVERY TIME!**
