

Pop-up Display Systems: Stand-out Style and Easy Set-Up

Setting up your tradeshow display or exhibit shouldn't be a time-consuming affair. With Allegra's high impact, quick assembly pop-up systems, you're up and running in minutes. All our systems are strong, easy to manage and designed for ease of transport and use.

● Pop-up to stand out.

Magnetic Panel Pop-up **\$2099***

Styrene graphic panels are easily attached with magnets to the durable pop-up frame. The heavy duty wheeled case can be locked for extra storage and security, while acting as a booth countertop. Two halogen lights are included.

- Size:**
- Model 3 x 3 measures 8' x 8'
- Options:**
- Model 3 x 4 (8' x 10') available for \$2599
 - Graphics Wrapped Case add \$169

* includes printed graphics, design extra

Go Big. Go Allegra.

Tension Fabric Pop-up **\$1,199***

Tension fabric displays can be set up in seconds. The heavy-duty frame holds a durable, stretch fabric graphic mural. Attach the graphic, expand the frame and you're done. Wheeled fabric bag is included.

- Size:**
- Model 3 x 3 measures 89" x 89"
- Options:**
- Two halogen lights add \$169
 - Full fitted (end caps) add \$199
 - Model 3 x 4 (118" x 89") available for \$1299

* includes printed graphics, design extra

Tube Frame Fabric Wall **\$1,599***

These fabric walls take only a few minutes to set up. Tube aluminum frames make it light weight and easy to transport. Comes with a canvas carry bag.

- Size:**
- Measures 8' x 8'
- Options:**
- Double sided \$1699

* includes printed graphics, design extra
